SERVICE ROUTE

The bus picks up on High Street, Carlby, pointing south adjacent to Templeman Drive. It then travels down High Street and stops opposite Manor Road, picking up. After that it turns right at the end of the road onto A6121, travelling into Essendine. The next pick-up is at the bus shelter next to Station Rd, Essendine on the A6121. The bus carries on along the A6121, out of Essendine, through into Ryhall, over the traffic lights and turns left into New Road. Finally it follows New Rd (which turns into Rutland Way) and stops outside the Library (bus lay by) for the school.

The afternoon schedule is a reversal of the morning journey.
