**DISCOUNT OFF CAR INSURANCE**

Once you've completed Pass Plus you may be able to get a car insurance discount. You'll need your Pass Plus certificate.

① Check with insurers that you can still get a discount if you passed your practical driving test more than a year ago.

The amount of discount depends on the insurance company. Not all insurers offer Pass Plus discounts.

You might be able to put the discount on hold for up to 2 years if you don't have a car at the moment - check with the insurance company first.
