Keep Safe

- In Rutland we want to make sure everyone has the support which meets their needs close to where they live

- Our 'Big Plan' helps us to look at 'what works really well' and what we want to do better'

- The Big Plan helps the people who support you to work together to understand what support you need and that it makes a difference to you and your family

- This Big Plan will be supported by 'Actions', which will help everyone to make sure your views are listened to and acted on

- We want to understand the needs of our children and young people sooner and put support in place earlier

- We want more children will be able to maintain their education and their family life in Rutland, when it is best for them

- Children and parents will have more choice and feel more in control of their support plan, because they will be included in all decisions about their support
