FREEDOM OF INFORMATION REQUEST – 596/17

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

Please can you tell me how many FTE staff you have had working on air pollution in each year from 2010-11 to 2017-18?

Response:

There are two officers whose work involves air quality monitoring and management. This work is integrated with other activities, and is not specifically time recorded, so only an approximate time spent can be provided.

Approximately 38 days a year is spent on air quality monitoring and management, as follows:
