Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request/Response:

I am writing to ask under the Freedom Of Information act/ Environmental Information Regulations 2004 (EIR) if you can tell me:

1. Do you have any current/planned requirements for an Energy From Waste facility/Waste To Energy facility/waste incineration facility within your authority area that will take commercial and industrial as well as household waste?

   Answer: Environmental Services do not have any current requirement for an Energy from Waste Facility within the authority area.

2. If so are there any current outstanding planning applications ongoing?

   Answer: No

3. If so can you provide their reference number and current status?

   Answer: Not Applicable

4. If there are no current planning applications ongoing do you know if/when you will be issuing any Invitation To Tenders (ITT) for the above mentioned facilities?

   Answer: Given the volume of Residual Waste generated in Rutland we are unlikely to ever invite tenders for the development of any Residual Waste treatment facility within the County.

5. And what method will you use? EG via a portal such as Proactis/Procontract?

   Answer: Not Applicable
