FREEDOM OF INFORMATION REQUEST – 1034/17

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

Further to the Freedom of Information Request reference number FOI 1005/17 submitted by Greetham Parish Council please find below a request for additional information.

In preparing its response to the Local Plan Consultation document, Greetham Parish Council would like to understand how the final choice between the various sites put forward was made. We have studied the Site Appraisal documents and understand how the sites were appraised. What we cannot find is how the final choices were made and the appraisals for the sites were balanced one against the other.

Under the Freedom of Information Act we request to see any working documents as to how these decisions were made for the following two villages:

Greetham
Whissendine

Response:

Section 3 of The Local Plan Review Site Appraisals (July 2017) document in 3a) Residential development – sites selected and 3b) Residential development – sites not selected sets out the main reason for selection and exclusion

The Site Appraisals information is on the website, please see link below
