FREEDOM OF INFORMATION REQUEST – 1395/17

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I do formally request a list of the council's suppliers and contractors, under the freedom of information act. I would like to know the names and details of any organization/business that the council uses to carry out work on a regular basis.

Response:

The list of extant contracts together with contact addresses can be found at the following link. Contact should be made with the suppliers direct to obtain contacts and e-mail addresses.

http://www.rutland.gov.uk/council_and_democracy/transparency_code.aspx

This list doesn't include contact details of sub-contractors. Since there is no contractual relationship between the council and sub-contractors no details are retained.

The information held by the Council is out of date (there is no requirement to keep it up to date) and therefore is best source by the enquirer under this FOI.

You are free to use any documents supplied for your own use, including for non-commercial research purposes. The documents may also be used for news reporting. However, any other type of re-use, for example by publishing the documents or issuing copies to the public will require the permission of the copyright owner, where copyright exists. Such a request would be considered separately in accordance with the relevant Re-use of Public Sector Information Regulations 2005 and is not automatic. Therefore, no permission is implied in the re-use of this information, until such a request to re-use it has been made and agreed, subject to any appropriate conditions. Any request to re-use the information should be made to me at the address below.
