FREEDOM OF INFORMATION REQUEST – 114/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

1. May I please request the number of D1 planning applications you received in each of the last five years. I.e. in 2017, 2016, 2015, 2014 and 2013.

2. May I also request the number of successful D1 planning applications you granted during each of the last five years.

3. Lastly would it be possible to know how many of these successful and unsuccessful D1 planning applications were related specifically to children’s nurseries and daycare?

Response:

Planning applications are not recorded in relation to classes in the use classes order. For example the application description may simply say “extension”. It is only by going through the planning application in detail that you can locate the actual use. It is not therefore possible to answer the questions without reviewing every planning application.

If you wish to do this the applications are all available for you to inspect on the Council’s website.
