FREEDOM OF INFORMATION REQUEST – 96/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

Please consider the request below under the provisions of the Freedom of Information Act 2000.

To be clear and in order for you to direct this request to the appropriate person, this information request relates to situations in which the authority is acting as a public deputy for an individual who lacks capacity, and that individual then dies. The aim of the request is to gain further understanding of the processes and procedures which the council, and in particular the Deputyship Team, undertake following such a death. It is assumed that there are written policies, internal guidance and officer instructions to cover the points raised below.

If the Council does not have a team that deals with deputyship/appointeeship; for individuals who lack capacity, this request will not be applicable so please respond with 'nil return' or 'n/a'.

1. Please provide the name, job title and email address of the person who oversees the Deputyship Team.
2. Has the council's Deputyship Team used a heir hunter, tracing agent or genealogical researcher to trace relatives?

IF THE ANSWER TO QUESTION 2 IS 'YES', PLEASE ANSWER ALL OF THE FOLLOWING QUESTIONS:

3. Which researcher is used?
4. On how many occasions in the past 3 years has the Deputyship Team used a heir hunter to trace relatives?
5. How many times was the researcher used in respect of a client who was living?
6. How many times was the researcher used in respect of a deceased person?
7. When the Court of Protection appoints the council a public deputy for an individual who lacks capacity and that individual subsequently dies, does the council's Deputyship

Team continue to hold and manage the funds belonging to the deceased until a Personal Representative ('PR') takes over the administration of the estate?

8. If not, please state to which department in the council the Deputyship Team transfers the funds and responsibility for the funds?

9. If the answer to Question 7 above is that the Deputyship Team do continue to hold the funds pending appointment of a PR, please stipulate the statutory power to do so.

10. I understand that where the deceased has lost contact with their family members there may be a period of time while relatives are being traced. During this intervening period, does the council department holding the funds and responsibility for the funds pay any of the following debts from the estate of the deceased:

- a. the cost of the funeral and any officer time spent arranging it?
- b. mortuary costs?
- c. any cost involved in tracing estranged next of kin?
- d. other expenses payable following death such as house clearance or outstanding care home fees?

11. Does the council in any way charge the estate of the deceased for officer time spent on the following:

- a. coordinating with solicitors?
- b. instructing and communicating with genealogical researcher used to trace next of kin?
- c. communication with any NHS Trust or care home (where applicable)?
- d. communication with the district council, where a public health funeral is required?

12. I understand that where the individual lacking capacity dies and a notification of death is made, the Office of Public Guardians ('OPG') may request a final report on the estate from their appointed deputy. From your records over the past 3 years, in what percentage of deputyships ending on the death of the client are these reports requested?

13. When the Deputyship Team at the council prepares such a final report for the OPG, please clarify the following:

- a. does the report end at the date of the service user's death or, if not, for how long after the death does it extend?
- b. does the final report include a record of funeral and mortuary costs deducted from the estate?
- c. does it include other expenses paid from the estate by the council following the death such as final care home fees, house clearance, costs relating to tracing next of kin and/or officer time spent on things other than arranging the funeral?

14. In relation to the specific process of paying any outstanding fees or costs from the estate of the deceased:

- a. please confirm which department or officer oversees this?
- b. what is the policy for the assessment of such payments?
- c. please provide copies of any and all written internal procedures, policies or other guidance documentation relating to this

15. When a PR is appointed to distribute the estate of the council's former deputyship client:

- a. please confirm whether the PR or the solicitor that is instructed for Probate purposes are provided with a schedule of deductions that have been made.
- b. If so, does this include every payment made by the council from the estate, including those made internally to other parts of the council?
- c. from your records, on how many occasions in the past 3 years has the PR or their solicitor queried or challenged a payment made by the council from the estate, and on each occasion, what type of payment did this relate to?

I will definitely have the report out to the solicitors before the end of the month, so that will work out nicely.

I'll let you know as soon as it goes out and you should then receive contact from the solicitor [REDACTED] within a day or so of that.

May I ask, did any of the relatives make it to the funeral?

Many thanks

Hi [REDACTED]

I am pleased to confirm that we have now managed to contact all potential beneficiaries and that one of them has agreed to instruct [REDACTED] of [REDACTED] to deal with the estate.

I am compiling my report to the solicitors and will have this over to them in the next couple of weeks. The solicitors will then contact you to arrange for the papers you are holding to be transferred to them. I would expect this to be before the end of the month if all goes to plan.

If you are keen to have the estate proceedings underway as soon as possible, I can send the solicitors a partial report and ask them to contact you this week. Let me know which you would prefer.

I have also let all relatives know the funeral details and some have expressed an interest in attending.

Kind regards

Hi [REDACTED]

I am pleased to say that we have now made contact with several relatives. Unfortunately, they are several generations removed from the late Mr Wignell and so although one or two vaguely recall his name, none of them knew him. A couple have however expressed an interest in perhaps attending the funeral so please let me know details when you can and I will ensure they are passed on.

To answer your queries, I haven't yet come across a profession but I can confirm place of birth as Uppingham, Leicester and also that George was never married.

If I come across his profession during the course of today I will let you know.

Many thanks

I spoke with [REDACTED] today who said she hadn't heard any information regarding the funeral. Do you know if there is a date for the funeral yet?

As an update on our research: Colin was one of [REDACTED] children born to William Mackrill and Winifred Slade. There are also a possible further [REDACTED] born to this marriage but all the siblings I've spoken to so far don't recognise the names. Of the [REDACTED] siblings, I have made contact with [REDACTED]. Two have died without leaving issue, one died in [REDACTED] and [REDACTED]. Research is ongoing to locate the remaining siblings.

Once the funeral has taken place, will there be any funds left to distribute to the next of kin?

Just to give you a quick update, our Scottish researcher has come back to say that there is no trace of the birth there. Hi [REDACTED]

Thank you for getting back to me so quickly with that information.

We confirm that by referring this case to us, there is [REDACTED] to the council at any point for our services.

This case will be dealt with by my colleague [REDACTED] (cc'd above). We aim to locate the next of kin as quickly as possible and will update you on progress accordingly. Initial searches have found one possible birth in the UK which we are currently investigating and given the surname, we have also sent over the details to our Scottish agent to see whether he was born there.

We would be grateful if you could confirm whether any arrangements have been made with regards to Mr MacKrill's funeral.

If you have any queries at any time please do not hesitate to contact us and we thank you for referring this matter to Finders.

Kind regards,

Hi [REDACTED]

Mr MacKrill lived at

Flat 3 , 78 South Street, Oakham, Rutland, LE15 6BQ

We believe he came to the area as an [REDACTED] at Wing Grange so we don't know where he came from before then.

He died 6/12/16 at Leicester General Hospital.

We think the estate is only around £2,000 / £3,000 in a post office account. Myself and a colleague are going to do a property search this afternoon to see if we can find anything else. Social Services know of no contacts

Regards,

[REDACTED]

Dear [REDACTED]

Thank you for your email and we would be happy to assist you in this matter.

In order to assist us with our research, I would be grateful if you could provide us with a few more details about the case.

Do you happen to know Mr MacKrill's date of death, last known address and approximate estate value?

You mention that no next of kin are named on your system, but are there any friends that you are in touch with or rumours of family that you know of?

Thank you in advance for your assistance.

Kind regards,

[REDACTED]
