FREEDOM OF INFORMATION REQUEST – 207/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I have now had time to look at the various documents you sent to me on 14th February under my Freedom of Information request 82/18 of 21st January 2018. The first part of the request was:-

In relation to the Oakham Town Centre Redevelopment Project I would like the following information please:

1. All information relating to the brief given to AECOM or any other company asked to quote for developing a one-way system in Oakham;

However I can find nothing relating to this. There must be a first contact with AECOM with an initial brief on which a costing would have been based, and when the quote was accepted there must have been a contract with a full specification of the work that was to be done. Please can you send these items at your earliest convenience.

Response:

Please see attached further briefs.

The works were commissioned under the Midland Highways Alliance, Professional Service Procurement 2 framework contract, which operates on a direct call-off basis.
