FREEDOM OF INFORMATION REQUEST – 263/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

Under the Freedom of Information Act 2000, I am requesting the following information:

How many homes for affordable rent (not including social rent), which have received all necessary approvals, and with financing in place, will be started in each of the next three years in the geographical area under your remit?

This includes those being built directly or by housing associations.

Response:

There are 34 affordable rented homes with full planning consent in place at 13/3/18 and which have financing believed to be in place, not including homes that are already under construction. Out of these 34 properties, it is estimated that all of these will commence construction in 2018/19, although it is possible that a minority of these may start in 2019/20.
