FREEDOM OF INFORMATION REQUEST – 321/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I would like information about the numbers of homeless households being moved both out of and into the local authority area and where they are being moved to and from. I am aware from your reporting requirements to central government that you hold this information but only part of it is released through DCLG statistical updates.

Please disclose the following information:

1. For each year since 2010, please provide a month by month breakdown of the total number of homeless households the local authority has rehoused in another local authority area. For each household rehoused, please indicate:

   - the total number of people rehoused
   - the local authority area they were moved to
   - whether this was temporary or settled accommodation
   - whether they were allocated either council / social housing or a private rental tenancy

   Answer: Rutland County Council has not rehoused any homeless households out of our local area since 2010.

2. For each year since 2010, please provide a month by month breakdown of the total number of homeless households the local authority has agreed to rehouse from another local authority area. For each household rehoused, please indicate:

   - the total number of people rehoused
   - the local authority area they were received
   - whether this was temporary or settled accommodation
- whether they were allocated either council / social housing or a private rental tenancy.

    Answer: As above, Rutland County Council has not had to rehouse any homeless households from any other local area.
