FREEDOM OF INFORMATION REQUEST – 508/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I am writing to request email contact information for the following members of your Local Education Authority / Education and Schools team:

- Member of staff responsible for RE/PSHE/Citizenship/Bullying
- Member of staff responsible for Inclusion/ethnic minority achievement/equalities
- Member of staff responsible for school improvement/teacher professional development
- Chair of SACRE
- Clerk to SACRE
- Local authority support and/or advisor to SACRE

I have been unable to find full information on these contacts from your local authority website and/or the NASCRE website directory. If some of these contacts do not exist, then I would appreciate any information about those that do. If none of this is possible, please could you send me a general email for the Local Education Authority/ education and schools team that would be able to put me in touch with some of these individuals.

The request is in relation to the following research project being run from Cardiff University – ‘Diversity of Religion and Belief in the Primary School: Impact and Engagement Project’. The project has so far included engagement and knowledge exchange with researchers, practitioners and educational organisations through events and email consultations. The next stage involves the distribution of a free 60-page PDF guidance and resource pack to LEAs, SACRES, schools and other organisations in England and Wales on valuing and catering for diversity of religion and belief in primary schools. I will also be carrying out an evaluation survey in 12 month’s time. The project has received ethical approval from the School of Social Sciences Research Ethics Committee at Cardiff University. This request will enable me to distribute the PDF guide to LEA and SACRE contacts.
