FREEDOM OF INFORMATION REQUEST – 618/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

The government recently made £1m available for councils to gather information on privately owned residential tower blocks with cladding in the council area.

1. Please can you tell me if the residential tower blocks in your council area that are privately owned with cladding have been submitted for testing for the government's fire safety tests.

2. If there are tower blocks that have not been tested please can you tell me how many and the name of the block.

3. Is the council planning to take any action against private block owners who have not had the cladding tested or who have no plans to remove the cladding?

Response:

Rutland County Council is a non-stock retaining local authority. Please find information regarding local Housing Associations attached.
