Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I am conducting a study on staff retention and recruitment in the education sector and hope to publish my results before the year is out. I am therefore making a request under Freedom of Information for numerical data that is relevant to my study.

Please could the attached format be completed and returned to me at your earliest convenience? I would be happy to receive the data requested in a different format to the one that is attached, as long as all of the questions are answered.

I would be happy to clarify any questions if they are unclear. I look forward to receiving the information in the next 20 working days.

Response:
