Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request/Response:

I would like to make a request under the Freedom of Information Act.

Please list all services that you have previously provided or commissioned within the last eight financial years (since 2010/11) and no longer do related to:

1. The promotion of children and young people’s mental wellbeing.
   
   Answer: Rutland County Council has not diminished its services. With Health services, has increased its capacity to promote children’s mental well-being.

2. The prevention of CYP mental health difficulties.
   
   Answer: As above.

3. Interventions for CYP mental health.
   
   Answer: As above.

4. Do you wish to make any further comments on the issue of mental health/emotional support service provision to children and young people?
   
   Answer: The demand for services grows, both in preventative and specialist services for children and young people. The advent of Future in Mind transformation funding has enable increased capacity to provide localised support, however the pressure and demand on services continues.
