Dear Sir/Madam

Request:

I am looking to understand more about children being taken into care as a result of the family being homeless. I would be very grateful if you could please provide the following information. I request this information under the Freedom of Information Act 2000.

The number of incidents of children becoming looked after by the local authority in the financial year ending March 2018 because their family was in acute stress (according to the main category of need they were filed under), where the central reason for this acute stress categorisation was that the family became homeless.
