FREEDOM OF INFORMATION REQUEST – 649/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I am writing to make an open government request for all the information to which I am entitled under the Freedom of Information Act 2000.

I am looking to fully understand the situation with s106 monies raised in your area and would very much appreciate a clear and fully detailed overview from you. Please provide the following details for all payments received under Section 106 planning agreements.

Please provide these details for the period from 1990 to 2013.

1. Details of all outstanding s106 monies held by your authority?

2. The purpose of the payments made i.e. highway improvements, education, affordable housing etc where the monies remain unspent?

3. The amount of the payment which has been allocated to be spent and on what it has been allocated?

4. Details of the developer who paid the contributions?

5. What monies remain unspent?

6. The time period in which the monies have to be spent?

Response:

In order to determine this, an officer would have to manually inspect records to determine whether it fell within the scope of your request and if so, extract the relevant data. Given the number of records involved, we believe it to be a reasonable estimate that to comply with your request would exceed the appropriate cost limit of £450. This figure is set out in Regulations and is equivalent to one person working more than 18 hours to determine whether we hold the information, and to locate and extract the information.

Under section 12 of the Freedom of Information Act the Authority is not obliged to comply with your request and we will not be processing your request further.
If you are dissatisfied with the handling of your request please contact the Data Protection Officer, Rutland County Council, Catmose, Oakham, Rutland LE15 6HP
