## FREEDOM OF INFORMATION REQUEST – 126/17

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I am a second year student at Middlesex University studying for a BA Degree in Translation and Interpreting.

As part of my course I am required to undertake a piece of research into Community Interpreting.

The focus of my research will be on the use of interpreters by local authorities. In order to complete my research I need to collect some key information from all the local authorities in England.

I have therefore attached a questionnaire setting out the information I require. I would be grateful if you could arrange for the questionnaire to be completed and returned.

Response:

Please see attached 126/17 – Interpreting Questionnaire.
