Response:

In accordance with the Freedom of Information Act 2000 this email message acts as a Refusal Notice.

Under Section 43 of the Act - commercial interests: that disclosure of the information may prejudice the commercial interests of another person as the information could provide the recipient with an unfair advantage. This is because the Council believes that disclosure of this information would prejudice the commercial interests of the provider, as it would harm the provider's ability to compete in the market. The public interest test has been applied and in all the circumstances of the case, the Council considers that the public interest in maintaining the exemption is greater than the public interest in disclosure.
