FREEDOM OF INFORMATION REQUEST – 52/19

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request / Response:

Please can you email me what your Organisation is doing about planning, commissioning and operationalisation of social prescription.
What are the opportunities for the partners to bid or propose to help you with this roll out?
What documents or reports can you signpost to me?

Answer:
Rutland County Council do not currently have a wide ranging social prescription process in place, though we do have exercise on referral, falls prevention referral programmes and a community wellbeing service and other opportunities that would fit into a broader social prescription model.
We are in the process of establishing a working group to develop a social prescribing model for the county.
There are no current local reports available on social prescription.

If you are dissatisfied with the handling of your request please contact the Head of Corporate Governance, Rutland County Council, Catmose, Oakham, Rutland LE15 6HP
