FREEDOM OF INFORMATION REQUEST – 487/19

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

We are aware that Food Businesses are required to register their activities with their local Councils under Regulation (EC) No 852/2004. Please provide the following information about each Food Business registered with you in the previous two calendar years 2017 and 2018. Please confirm the information in Excel with each column titled as:

- Business Trading Name
- The Business Address from which that business trades
- The "type" of food activity given (as required on the Registration)
- The business email address as given on the registration

Please note that this request does NOT simply ask for a copy of the food register - my request does ask for the business email addresses given in the food registration documentation. Thank you.

Response:

Upon receipt of a registration form from a Food Businesses, we record these businesses as ‘unrated businesses’ awaiting inspection. Once these businesses are inspected their ‘unrated’ status changes and they are given a risk rating. Our database is not designed to track businesses and their retrospective status. Hence this information is not retrievable.
