Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request / Response:

I am writing to request information about planning applications to convert offices to residential use.

1. I would like to receive a list of the buildings which were converted from offices (Use Class B1 (a)) into residential (Use Class C3). I would like this information for all conversions broken down by year for 2016, 2017 and 2018.

For each property please provide:
- Postal Address
- Postcode
- Unique Property Reference Number (UPRN) (if possible)
- how many housing units the property provides
- The date that prior approval or planning permission was granted (if relevant)
- the name of the property developer and/or owner of the building (if possible)

Answer:
The information relating to this question can be found by using Rutland County Council’s website to do an advanced search. You will need to use key words such as ‘office’, ‘B1’ and ‘residential’ along with the wildcard symbols * for example a search for any development proposal containing the word office would look like *Office*.

The relevant link to the website is:

2. If possible, please also include how many people are currently housed in each property from:

a. Within the borough/council, b. Out of borough/area.

Answer:

3. For those housed in these properties from out of borough/area, please provide details of which councils each person was originally from, (if unable to list original area for each person, please just provide a list of the original areas).
