Who we are... Rutland County Council is the smallest Unitary Authority in England, but just because we are a small team does not mean we cannot make a big difference, *multum-in parvo* is our motto! Rutland offers fantastic opportunities to make a real difference to the lives of residents in our local community – we really are one of the best places to live, learn, work, play and visit. This is your chance to become part of an amazing team, delivering great services throughout the county.

Our Adult Social Care teams are leading the way in health and social care integration, ensuring the services we deliver meet the needs of our service users in a fully personalized and joined up way. With continually evolving services, this is a great opportunity to join a nationally recognised and committed team, supporting service users and their carers every step of the way.

Who you are... you are looking for a role that gives you something a bit different – whilst you will be comfortable managing your own complex caseload, you will be looking to take on operational day to day management of a team of Occupational Therapists, therapy assistants and Physiotherapists. You will enjoy developing others, providing clinical advice and support and working closely with the management team to continually develop the service offered.

What we need from you... With previous experience working as an Occupational Therapist, ideally in a community, hospital or adult social care setting, you will have supervised staff and monitored and allocated workloads. With a good understanding of risk management, particularly around complex and high risk issues, you will be able to develop effective working relationships with partner agencies to form a multi-disciplinary team.

What we offer in return... Work that makes a difference to people's lives within this beautiful county, in addition to structured salary reviews, local government pension scheme, discounted access to 'Active Rutland' keep fit activities and Flexi-Time to name just a few!

The successful applicant for this post will be subject to an enhanced check by the Disclosure and Barring Service (DBS).
