FREEDOM OF INFORMATION REQUEST – 678/19

Dear Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I request on paper, all communications, emails, memos, notes, minutes of meetings between all parties (including the planning office, the planning committee chairman, the enforcement officer, the highways dept, the developers, builders and their agents) involved in the planning applications JDA/2017/905 FUL, 2018/0024/FUL, 2019/0252FUL. Also the road traffic survey log for 2017 and 2018 and details of any roadworks of any kind during that time.

Response:

Please see the attached documents as requested**, due to the volume of information contained on the spreadsheets to provide a paper copy would incur a charge for materials used (for example to print tab one - B data on the Glastone A47 – 2018 spreadsheet would be 844 A3 pages) . If however you do still require a paper copy please contact us for charges.

2017 survey data – 1/11/2017 to 8/11/2017
2018 survey data – 22/11/2018 to 27/11/2018

The only road works carried out during this time was between 21/5/2018 and 25/5/2018. It was carriageway patching and therefore would have no effect on the speed surveys.

** The documents mentioned have not been published on our website due to their size, therefore if you would like to see the spreadsheets please contact us at foi@rutland.gov.uk and we will email them to you.

You are free to use any documents supplied for your own use, including for non-commercial research purposes. The documents may also be used for news reporting.
