Cow Lane Whissendine has yet again had so called repairs done a couple of times. The road is a disgrace. It was repaired again whilst we were on holiday. Got home yesterday to see it had been so called repaired. A disgrace. The rain again pulls it apart & pushes the rubbish into the passing area in the lane. Plus areas are unsafe for walking I have previously fallen in a hole. Fix My Street totally ignore the complaint & our Parish Council are just as useless. We pay high rates & our road is a disgrace. Also we get far too much traffic on it now - used as a short cut road & a race track. PLEASE do something. Why should I pay rates.

Missing is the conclusion that the survey is a complete waste of time. It is obvious what the needs are. The Oakham Medical Practice is totally inadequate. Three doctors retired this year from an already failing service. The current virus is an excuse for very very poor service. People who can afford it go private, those that can't pay suffer. To travel Leicester is a nightmare. We need a local specialist hospital. Why does Leicester have it all? Oh, because Rutland is subservient. The council is inept in its handling of the SGB development. Why no news,? Are the larger villages to be swamped because of the failure to control the members.? Coincidence that all so called independents voted against the funding and the 2 conservatives against have their ares in or close to the site NIMBY. Unforgivable that 2 should abstain. If they don't have a view they should resign. Parking in villages is obscene. Is there no policy? The edict that there should be no yellow lines is ridiculous, even the Cotswolds have there controls. Oakham and Uppingham can share their wardens, we all contribute but get nothing. And a parking manager,? what are his credentials or input?

Is there a case for seeking better access to funds from the LEPs for the benefit of the county?

Re: Highways. I have asked on several occasions that 'NO Entry' signs and road markings be put in Market Square. Residents should know better but with visitors seeking parking places twice I have had almost head-on collisions with other vehicles.
