OBJECTION.

Re:- Uppingham Neighbourhood Plan (Review)
2022/2023. Submission Version.

Dear Rutland County Council,

I object to

the above plan:-

① Access onto the A47, Ayston Rd, Firs Rd
very dangerous (high fast-moving
volumes of traffic.) Often signs of accidents
around A47 island. Ayston Rd.

② Where is the infrastructure in place for
more people. ie Schools, dental, Drs, GP Practices

P.T.O

② Cont. Water run-offs.

③ Traffic Congestion, Pollution, Noise, especially Ayrton Rd, Mercedes Rd.

④ Access to Dr's Surgery across already busy Ayrton Rd and near proximity of bus-stops due to larger number of vehicles.

⑤ Meadow-land (U-HA2, U-HA5) that has been used by wildlife, including Skylarks. Being developed.

Yours Sincerely
