Part of the CallConnect network

Booking your ConnectBus journeys in Rutland will be easier and faster using the new booking app. To register for ConnectBus download the free app or call 0345 263 8153.

ConnectBus is an on demand bus service and part of the CallConnect network. Unlike a typical public bus service, ConnectBus doesn't follow a fixed route. Instead, smart technology adjusts the route in real-time depending on where passengers need to travel to, picking up other passengers travelling in the same direction along the way.

The service operates six days a week:
Monday to Friday 7:00 am – 7:00 pm
Saturday 7:30 am – 6:30 pm

Before you book your journey, you'll need to register your details. It's quick and free. You can register either download the app or call the booking office on 0345 263 8153.

Book your journey anytime of day with the app, your pick up window will be confirmed straight away and you will receive a SMS text update closer to the departure time. You can book journeys up to 7 days ahead and with a minimum 30 minutes notice.

To make a booking by telephone please call 0345 263 8153. The booking office is open for advance bookings:

Monday to Friday 8:00 am – 6:00 pm
Saturday 8:30 am – 5:00 pm

For further enquiries, curriculum and enquiries, please contact us on 0345 263 8153.

Introduction

Welcome to issue 32 of your bus timetable guide for Rutland, produced by the Transport Department at Rutland County Council.

This booklet contains the bus timetables for all bus services that currently operate in Rutland and across into neighbouring counties. We try to keep timetable changes to the minimum, but we are always monitoring the transport situation so that essential changes can be made as soon as possible in an attempt not to disadvantage anyone.

Please check this booklet in case a bus service that you use regularly has had any changes made to it.

welcome

How to catch your bus
We ask passengers to arrive at the bus stop at least 5 minutes before the bus is due to leave.

Allow 20 minutes for your bus to arrive before registering a complaint. The bus may be delayed due to mitigating circumstances.

Signal clearly to the driver whenever you wish to board or alight the bus.

Have the correct concession or fare ready wherever possible and remember to take all your belongings when leaving the vehicle.

Travel Assistance

If you are not a frequent bus user it may be helpful to check details of your journey before travelling. Please call Traveline on: 0871 200 22 33 or visit www.traveline.info

Hail & Ride

Where there are no bus stops or no stop close by, Rutland operates **Hail & Ride**. This is mostly for the more rural areas. Drivers will stop, but only if deemed safe to do so.

The 24 Hour Clock

Public transport uses the 24-hour clock to differentiate between am and pm journeys. All timetables in this guide are presented in the 24-hour clock format, for example 1:50 pm will appear as 1350.

Delays, Changes or Cancellation of Services

Whenever possible Rutland County Council will advise passengers in advance of delays and/or diversions to bus services due to road closures for maintenance or utility works. Information will be displayed at local bus stops and on the buses, and parish councils will be advised as they may have their own communication methods. However, there may be occasions when emergency works take place at short notice, and we are not always made aware of works that take place outside of Rutland.

Incident Weather and Localised Flooding

In bad weather please be advised that bus services may change or be cancelled at short notice. Services will always continue to run for as long as possible where main roads are clear, but villages may become inaccessible sooner.

Lost Property

If you have left any property on the bus then please contact the relevant bus operator direct, either by telephone or via their website.

travel advice

Bank Holiday and Public Holidays

Rutland timetables will state the days of the week and times that the buses operate. In Rutland buses operate as normal on Good Friday, but do not operate on Sundays or Public or Bank Holidays (including Christmas Day, Boxing Day and New Year's Day). At other times between Christmas and New Year operators may run buses to slightly different times.

Network & Connecting Services

Bus services operating through Rutland connect with Melton Mowbray in Leicestershire, Stamford in Lincolnshire and Corby in Northamptonshire. From these locations it is possible to connect with bus and other transport options to Leicester, Peterborough and Kettering.

Network Rail

Oakham has a railway station located approximately a five minute walk from John Street Bus Station. Information on local buses is also provided here by National Rail. This is updated by them annually.

Train services between Birmingham New Street and Stansted Airport operate via Leicester, Melton Mowbray, Oakham, Stamford, Peterborough and Cambridge. For timetables and enquiries please contact www.nationalrail.co.uk

Please be advised that train services can change at short notice due to inclement weather or maintenance works.

Travelling with Dogs

Major bus operators will generally allow dogs to travel on public buses, but please check with operators for individual criteria. We regret that the RCC minibuses operating bus services can only accept assistance dogs on board.

Travelling with Bikes

Most operators will allow bikes on board if folded up and in a travel bag. RCC minibuses are unable to take any bikes on board.

Travelling with Wheelchairs, Mobility Scooters & Pushchairs

Operators will have room on board for wheelchairs. Pushchairs may need to be folded. Mobility scooters of a certain size are permitted if the user holds the relevant licence. Please check with your operator before travelling. RCC can take wheelchairs if given 24 hours notice. RCC minibuses are unable to take mobility scooters.

ConnectBus

Part of the CallConnect network

ConnectBus is an on demand bus service and part of the CallConnect network. Unlike a typical public bus service, ConnectBus doesn't follow a fixed route, instead schedules are formed by passenger requests. In addition to the ConnectBus on demand service, ConnectBus and CallConnect also offer timetabled services: CallConnect service 4 Stamford – Grantham and ConnectBus service 9 Stamford – Oakham, which compliments the service R9 and 185 timetables.

If you are travelling on a CallConnect timetabled service, you only need to book if the timetable is noted as a 'R' at your desired pick up or drop off location. You can book this journey by calling 0345 234 3344.

At your confirmed pick up point simply pay your fare or show your concessionary bus pass. To help keep our buses running to schedule, please be at your pick up point a few minutes before your booked time. Once boarded your journey may be combined with other passengers heading in the same direction.

Fares vary according to distance and are calculated on a zonal basis. You pay for your journey when you board the ConnectBus either by cash, using contactless payments or by showing a valid concessionary bus pass (location time restrictions may apply)

- Children ages 5-15 pay half the adult fare
- Under 5's travel free with an accompanying adult
- Save money with our 10 journey saver ticket
- Use your concessionary bus pass on ConnectBus/CallConnect

All journeys are subject to availability. Some routes and times are very busy and we advise passengers to give as much notice as possible.
