Information for Uppingham Residents

Permit parking bays can be utilised by car owners in full time residence on the following Uppingham roads. **Applicants must have insufficient off-street parking (driveway/garage) for their parking needs, where sufficient off-street parking is not available to them:**

Adderley Street	Deans Terrace	High St East	High St West	Hillside	Hopes Yard
Leicester Road (odd 1-19) (even 2-30)	London Road	Market Place	North Street East	North Street West	Norton Street
Orange Street	Printers Yard	Queen Street	Reeves Yard	School Lane	Shields Close
Stockerston Rd (even 2 - 28)	South View	Thorpe's Terrace	Todds Terrace	Wades Terrace	

Permit holder's parking bays can be found on the following Uppingham roads:

High Street East (part, check signs)	Leicester Road	North Street East & West	South View
High Street West (part, check signs)	Springback Way	Queen Street	Stockerston Road

The hours of restriction for these parking bays are Monday to Saturday 8:00am to 6:00pm excluding Bank Holidays. The bays are accessible to resident permit holders and non-permit holders may park for a maximum 2 hour stay non-return within 2 hours. Disabled badge holders and motorcycles may utilise the bays without time restrictions. Please look out for the relevant signs indicating the on-street Permit Holder's/ Dual Use bays. Your permit does not authorise you to park in any other restricted area on street or any of the Council owned off-street car parks in the town. If you are unable to satisfy the document requirements, you will be unable to get a permit or park as if you were a resident permit holder. If you have 1 off-street parking space we would only consider issuing you with a permit if you supply us with 2 V5/C documents to prove your need for on-street parking. If you have 2 off-street bays we would only consider issuing you with a permit if you supplied us with 3 V5/C documents to prove your need to park on-street, and so on. The Council's Parking Policy states that properties which had potential off-street parking opportunity as of 1 April 2022, which are subsequently converted to remove that parking facility will not be eligible for permits.

If you are renting a property from Uppingham School, a consideration by the Council is needed as to whether your parking can be accommodated on Uppingham School property or car parks.
