1.0 INTRODUCTION

- 1.1 Local Planning Authorities are required by legislation to prepare and maintain a Local Development Scheme (LDS) to provide a timetable for the preparation of a Local Plan or Local Plan Review and any other Local Development Documents.
- 1.2 The national Planning Practice Guidance (PPG) requires the LDS to be kept up to date and be made publicly available, so that local communities and interested parties can keep track of Local Plan progress.
- 1.3 This LDS covers the period 2024-2028 and sets out the documents the Council intends to prepare over this period. It replaces the previous LDS published in January 2023.

2.0 RUTLAND LOCAL PLAN

Adopted Rutland Local Plan

- 2.1 At the time at which this LDS comes into effect, Rutland County Council has adopted the following documents:
 - **Minerals Core Strategy & Development Control Policies DPD – adopted October 2010:** Provides the overall vision for future minerals development in Rutland having regard to future predicted needs up to 2026 and contains development control policies to guide decision making on planning applications for minerals development. It replaced policies in the Leicestershire Minerals Local Plan Review (May 1995).
 - **Rutland Core Strategy DPD - adopted July 2011:** This provides the overall spatial vision, objectives and spatial strategy for Rutland. It identifies the broad locations, distribution and overall scale of development up to 2026 including a strategic allocation in Oakham. It contains a range of development control policies and addresses future waste development in Rutland, having regard to future predicted needs. It replaced a number of the policies in the Rutland Local Plan (2001) and the Leicestershire, Leicester and Rutland Waste Local Plan (2002).
 - **Site Allocations and Policies DPD – adopted October 2014:** The purpose of this DPD is to identify and allocate sites for development (i.e. housing, retail, waste) and to set out more detailed policies that will be used to determine planning applications in accordance with the overarching policies in the Rutland Core Strategy. It replaced the remaining policies in the Rutland Local Plan (2001) and the Leicestershire, Leicester and Rutland Waste Local Plan (2002).
- 2.2. Work is underway on preparing a new Local Plan that will replace the above documents. The new Local Plan will contain strategic and other policies and allocations to guide development in the County for a period of at least 15 years from its adoption. Details of the timetable for this are set out in Section 4.0. The emerging Local Plan includes proposals for two potential Future Opportunity Areas and sets out that a separate detailed development plan or plans will need to be prepared for these sites if they are to come forward for development.
- 2.3. At the time of finalizing this LDS the government had consulted upon a number of significant changes to the Planning System and National Planning Policy Framework. These changes may impact upon the emerging Local Plan and or the development of a separate DPD. The council has therefore committed to undertaking an immediate review of the Local Plan which will also incorporate the consideration of the development potential of both Future Opportunity Areas. The timetable set out in Section 4.0 covers the timetable for this review.

Supplementary Planning Documents (SPDs)

- 2.4. SPDs are typically produced to provide more detailed guidance on how a particular policy should be implemented or site developed. SPDs are not subject to independent examination and there is no requirement for the LDS to include a timetable for the preparation of SPDs.
- 2.5 To date the Council has adopted the following SPDs:
1. Wind Turbine Developments SPD (adopted November 2012)
 2. Ashwell Business Park SPD (adopted January 2013)
 3. Extensions to Dwellings SPD (adopted March 2015)
 4. Garden Extensions SPD (adopted March 2015)
 5. Shop Fronts including Signs and Shop Security SPD (adopted March 2015)
 6. Planning Obligations SPD (adopted January 2016)
 7. Design Guide SPD (adopted May 2022)
- 2.6 The Council will also consider the possibility of producing additional SPDs if the need arises during the three year period of the LDS.
- 2.7 Information on adopted [SPDs](#) can be found on the Council's website.¹ This will also provide information on progress in preparation of the proposed SPDs.

Other Relevant Documents

Statement of Community Involvement (SCI)

- 2.8 The SCI was adopted in August 2020 and minor wording changes were made in April 2022. It sets out the standards and approach the Council takes to involving individuals, groups and organisations in preparing or revising policy documents and considering planning applications. There is no requirement in legislation for local planning authorities to consult when reviewing and updating their Statement of Community Involvement, although it is good practice for authorities to inform the public of their intentions to update this document and of the changes that have been made.

Community Infrastructure Levy (CIL)

- 2.9 The Council adopted CIL in January 2016. CIL is a locally set charge on development. It is intended to give more certainty to developers over how much their development will need to contribute to meeting the costs of infrastructure. It is intended to supplement other funding streams to ensure that new community infrastructure can be provided to support local growth and to give councils and communities more choice and flexibility in how they fund infrastructure. The CIL is supported by a detailed [Charging Schedule](#) which sets out the CIL rate for specific types of development in Rutland.²
- 2.10 Whilst there are currently no proposals to review CIL, this will be kept under consideration during the course of the preparation of the Local Plan.

Authority Monitoring Report (AMR)

- 2.11 The purpose of an AMR is established in legislation and should provide annual updates on the

following:

- Progress on the timetable and milestones for preparation of documents set out in the LDS;
- the progress and effectiveness of the Local Plan, including details of policies and proposals which are not being implemented and the reasons for this;
- details of any neighbourhood plans and progress with work on the Duty to Cooperate;
- information regarding the Community Infrastructure Levy;
- information collected for monitoring purposes.

2.12 The [latest AMR](#) can be found on the Council’s website.³

2.13 A diagram showing an overview of the different documents which currently make up the Rutland Local Plan is shown in Diagram 1.

3.0 NEIGHBOURHOOD PLANS

3.1. Neighbourhood plans provide an opportunity for local people to influence development in the areas where they live or work. Neighbourhood Plans become part of the development plan and the policies within them used in determining planning applications within the relevant Neighbourhood Plan Area. A key criteria for a neighbourhood plan is that it is general conformity with the overarching strategic policies in the Rutland Core Strategy DPD (or emerging Local Plan).

Rutland Local Development Scheme 2024-2028

3.2. At the time this LDS comes into effect, the following Neighbourhood Plans have been ‘made’:

- Edith Weston Neighbourhood Plan – June 2014 (currently being reviewed)
- Uppingham Neighbourhood Plan – January 2016 (currently being reviewed)
- Cottesmore Neighbourhood Plan – July 2016
- Langham Neighbourhood Plan Review - December 2022
- Greetham Neighbourhood Plan – October 2017
- Barrowden and Wakerley Neighbourhood Plan – November 2019
- Oakham and Barleythorpe Neighbourhood Plan – May 2022
- Ketton and Tinwell – July 2023
- Market Overton - February 2023
- North Luffenham – October 2023
- Whissendine – February 2024
- Wing – February 2024

3.3. Uppingham and Edith Weston are reviewing their Neighbourhood Plans. Further information on all Neighbourhood Plans can be found on the [Neighbourhood Planning](#) pages of the Council’s website.⁴

3.4. As at September 2024 progress with the two Neighbourhood Plans which are being reviewed is as follows:

Neighbourhood Plan	Status as at April 2020
Uppingham Neighbourhood Plan review	Regulation 16 consultation undertaken September to November 2023. Independent examination in progress.
Edith Weston Neighbourhood Plan review	Regulation 16 consultation undertaken April to June 2024. Independent examination in progress.

4.0 RUTLAND LOCAL DEVELOPMENT PROGRAMME

4.1 The documents the Council will prepare over the next three years are:

Rutland Local Plan

4.2 The Council is preparing a new Local Plan, which when adopted will replace all existing adopted Local Plan documents. The first stage of public consultation on the preparation of the Local Plan – the Issues and Options report – took place June to September 2022. Followed by Regulation 18 consultation on a full draft plan for the period 2021 – 2041 undertaken in November 2023 – January 2024. Regulation 19 consultation on the Pre-Submission Local Plan is programmed to commence in October 2024.

4.3 The stages of preparing the emerging Local Plan and updated timing for key milestones is set out below (and in Appendix 1).

Rutland Local Development Scheme 2024-2028

Key Milestones for Preparation of Rutland Local Plan		
	Stage of Plan Making	Timetable
Regulation 18	Consultation on Issues and Options	June – September 2022
	Public consultation on preferred options consultation document	November 2023 – January 2024
Regulation 19	Formal public consultation on proposed submission Plan	October - November 2024
Regulation 22	Submission to Secretary of State	Spring 2025
Regulation 24	Examination of Local Plan	2025
	Receipt of Inspector's Report	To be advised
Regulation 26	Adoption of Local Plan	To be advised

- 4.4. It should be noted that once the Local Plan is submitted to the Secretary of State the timing of subsequent stages is in the hands of the appointed Inspector and dependent on the need to publish and consult on Main Modifications recommended by the Inspector following the examination hearings.
- 4.5. The Local Plan is accompanied by a Policies Map, which will be updated to reflect any changes to area specific policies and site allocations.

Local Plan Review

- 4.6. The Government has recently consulted on significant changes to the planning system and National Planning Policy Framework. These changes include a transition period for those Local Plans which are at an advanced stages of preparation. It is considered that the emerging Rutland Local Plan meets the requirements of the transition period and therefore progress with the Local Plan will continue to the timetable set out above.
- 4.7. However the changes include a change to the way in which the housing need of an area should be calculated. This change will result in an increase in the overall housing requirement for Rutland and will need to be addressed through an early review of the Local Plan. This review will also provide an opportunity to consider the contribution that one or both of the “Future Opportunity Areas” identified in the emerging Local Plan could make to future housing and economic development needs.
- 4.8. The Government’s consultation undertaken in 2023 proposed a new style of local plan. Whilst details of how the new style local plans should be prepared is awaited, it is expected that the Local Plan Review will result in a new style Local Plan. Details on the process for preparing new style local plans are awaited, therefore the timetable below has been prepared based on the current system.
- 4.9. The stages of preparing a Local Plan Review and the key milestones is set out below (and in Appendix 1).

Stage of Plan Making	Timetable

5.0 RESOURCES AND PROGRAMME MANAGEMENT

- 5.1 The lead role in the production of Local Plan documents will be taken by the Council's planning policy team. However, recognising that the Local Plan will reflect the objectives and priorities of the Council's Corporate Plan and other strategies, there will be input from various parts of the Council. Consultants will need to be engaged on specific projects which require specialist expertise.
- 5.2 Close working with a range of stakeholders and partners will also be important to the preparation of the Local Plan and other planning policy documents.
- 5.3 At Examination stage, the Council will be expected to demonstrate evidence of having effectively co-operated to plan for issues with cross boundary impacts. Details of how the Council has undertaken this engagement will be set out in a Duty to Cooperate Statement, which will be published as supporting document when the Council submits the Local Plan for examination.
- 5.4 The County Council has a good track record of working with other authorities in particular on joint evidence based work (e.g. Strategic Housing Market Assessment) and the Council's minerals waste planning service is currently provided in conjunction with North Northamptonshire Council and ecology services are provided by Leicestershire County Council I.
- 5.5 The Council will keep open the possible production of joint evidence studies and if appropriate, the preparation of joint Local Plans, DPDs or SPDs.
- 5.6 The Portfolio Holder for Planning, Property and Economic Development has responsibility for the Local Plan and other planning policy documents. The Cross party Local Plan Working Group will continue to consider local plan evidence, draft policies and proposals and make recommendations to Cabinet. The approval for publication of the Local Plan (under Regulation 19) will require approval by Full Council.

6.0 RISK ASSESSMENT

- 6.1 The main risks to the successful progress on the preparation of the documents in the LDS are:

Risk	Impact	Mitigation
Resources Inadequate resources to undertake specific areas of work	Unable to progress work Potential impact on quality of work	Regular monitoring of resources, budgets and costings Explore opportunities for joint working and more cost effective way to deliver services
Staff turnover	Delays in document preparation	Flexibility in use of staff resources Secondment of staff or use of short term contract staff
Changes to the Planning System Government proposals are expected to reform	Difficulty of progressing with work	Government advice at present is to continue with the preparation of development plans

7.0 MONITORING AND REVIEW

- 7.1 Any changes in content of documents or timetable will be monitored through the AMR. In the event of work proceeding more quickly or slowly than programmed, adjustments will be highlighted in the AMR and the LDS amended as necessary.
